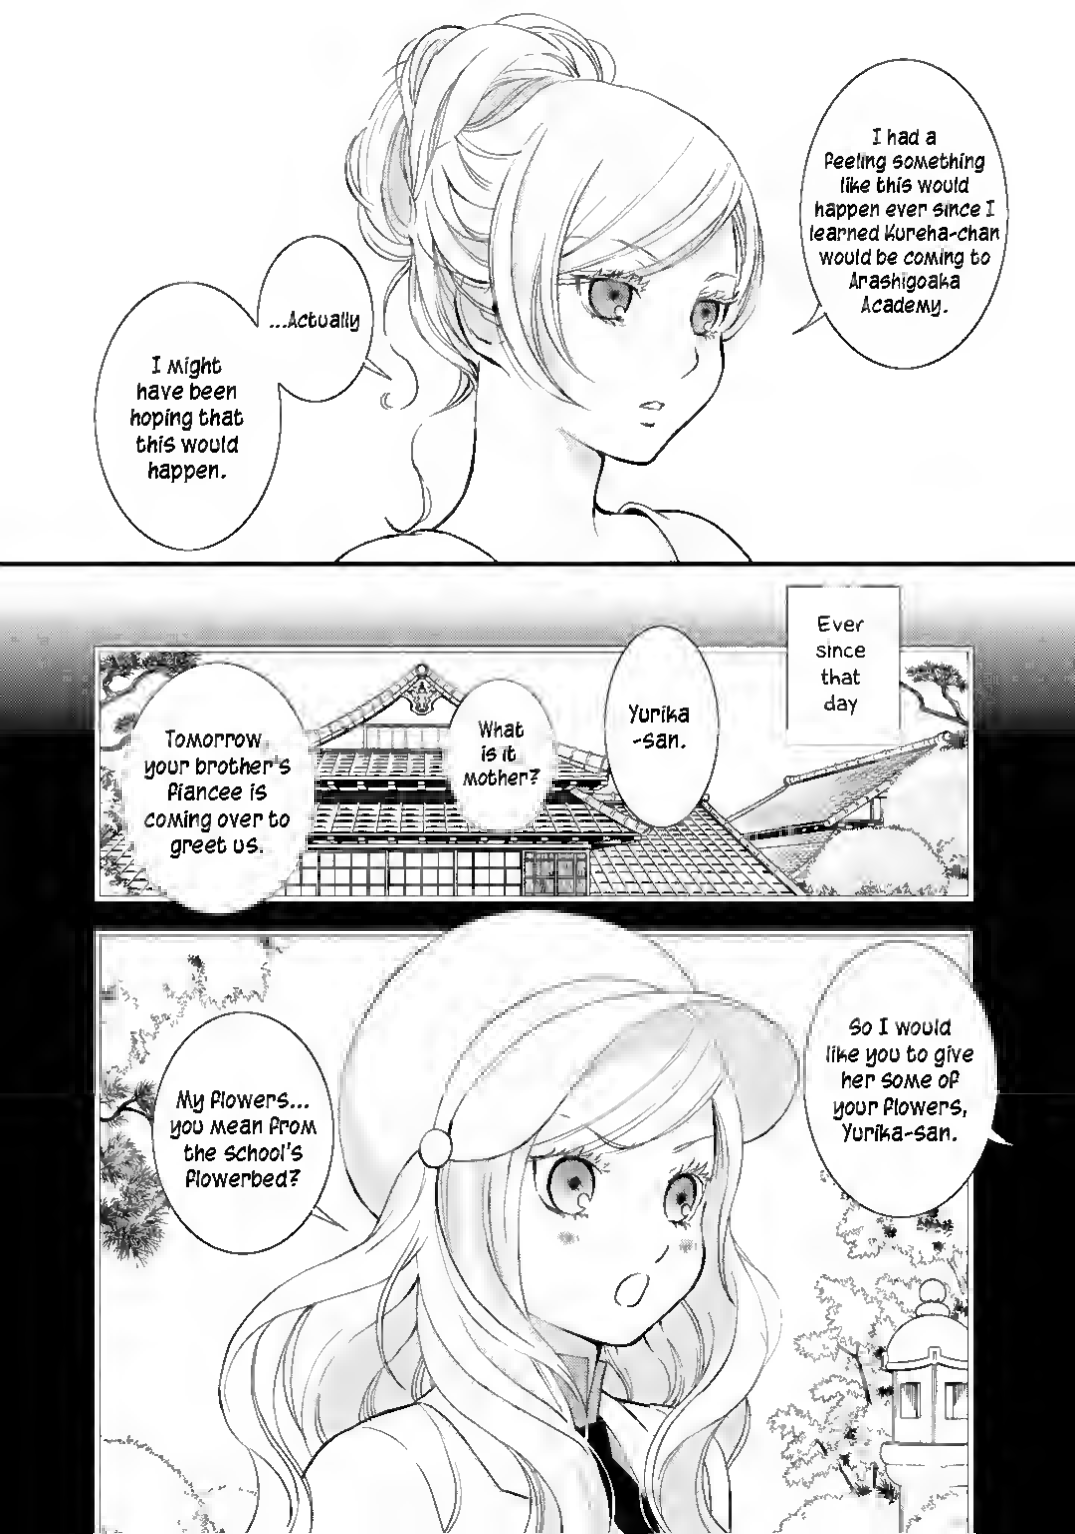
You should understand too if you'd remember, Kureha.
Why Reia died.
Me?
What am I forgetting?

Promise?

When the two of us first met...
Our promise...

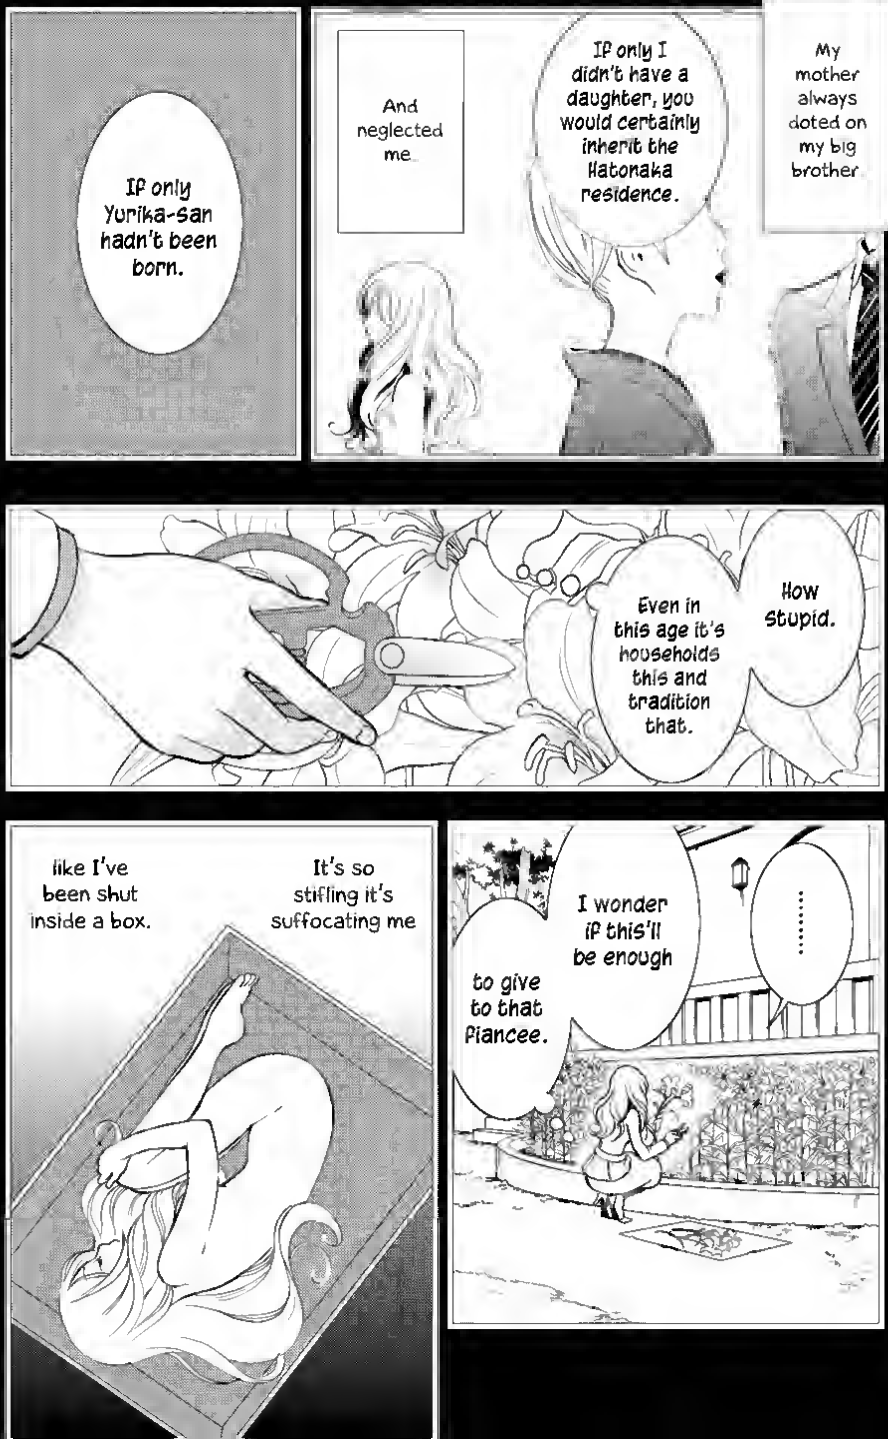
And my crime.

Yurika -san.
Lulu-chan.
I don't really care whether you live or die, but
you should continue this back in Japan.
Yurika ...
Don't interfere.
Japan ...?
That's right. Let's return to our own country first.
The one who needs to take their revenge on you isn't Lulu-chan.
It's Kureha -chan.



I had a feeling something like this would happen ever since I learned Kureha-chan would be coming to Arashigaoka Academy.
...Actually
I might have been hoping that this would happen.
Ever since that day
Yurika-san.
What is it mother?
Tomorrow your brother's fiancee is coming over to greet us.
So I would like you to give her some of your flowers, Yurika-san.
My flowers... you mean from the school's flowerbed?

No way! I won't give them to anyone!
I don't care if she's my brother's fiancee!
Those are the lillies that I grew myself!
Yes. I'M certain she would like them.
Then maybe you'd rather have my brother inherit this house instead of me?
Well excuse me!
Completely different from her big brother.
Oh my... what a cold little sister.
We had a tradition that the men would go to live with their chosen bride's family.
My home... the Hatonaka residence has always been passed down to the females of each generation.
That would be nice if it were possible.



If only Yurika-san hadn't been born.
My mother always doted on my big brother.
If only I didn't have a daughter, you would certainly inherit the Hatonaka residence.
And neglected me.
How stupid.
Even in this age it's households this and tradition that.
It's so stifling it's suffocating me
like I've been shut inside a box.
I wonder if this'll be enough
to give to that fiancee.
.....

The piano rehearsal.
It's finally started.
Ah...
Today is "Ave Maria."
The only time I could be at peace back then was when listening to piano music by the flowerbed
I wonder who's playing?
Such a gentle sound

If I leave home, I'll be free!
That's it!
If it's too suffocating inside the box, I should just get out of it!
Why haven't I realized this until now?
That's right!
Ah
Outside!
Let's go!

Found you.

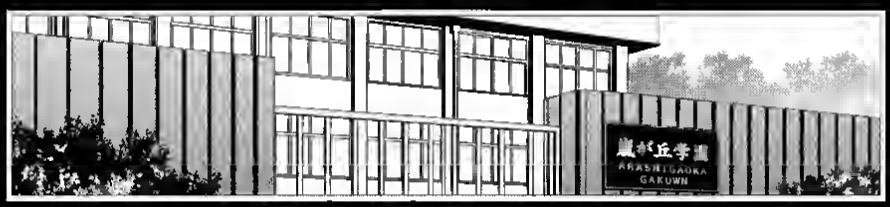
The name's Yurishiro Kate.
Nice to meet you.
I'M your brother's fiancee.
...Who is this?
Hatonaka Yurika, I presume?
Y... Yes...
I was surprised when I saw you.
Wh-Why?
Those slender and pretty fingers... she's a girl!?
So you were one of our students, huh?
Yup.
Eh, but...
My brother's fia...
Ah

Huh?
Looks just like you, right, Yurika?
This is a picture I drew!
Hey, what's with this bear-like drawing?
I don't think she looks like me at all, but...
Yuri amor...
Who would've guessed I'd actually meet her.
I just thought it would be nice if there was a girl like this and I drew it.
You look pretty when you're angry too.
Wai- You're saying I look like a bear!?
How rude!
It's not "bear-like." It is a bear.

You are pretty.
My mother always says I'm ugly, nothing like my brother...
What a wierdo!
I-I'm not pretty at all!
My precious sister-in-law.
The lovely Yurika.
Ah...
The scent of lilies...
is spreading through my entire body.

"Let's go."
When we first met, you said
Where were you trying to go Yurika?
...What do you mean?
Hey.
...What is it?
Where...
was it, I wonder...
I've... forgotten...

I gave up trying to leave my own box.
I went inside Kale's box... or rather...



嵐が丘学園
ARASHIGAOKA GAKUEN

For the first time since I was born, I met someone who thought of me as someone precious.
It was such bliss.
Like I said, why is it bears again?
Cute, isn't it?
Yurika!

Do you do this kind of thing with other girls?
Eh...
I knew it!
Ahaha
Not since I met you, Yurika.
I wonder if a girl like you can even marry my brother.
Of course I can.
I just gotta submit some documents to the public office.
That's not what I meant....
I already knew it...
Even so... I couldn't get away from Kale.

Even so,
I couldn't
get away
from Kale.

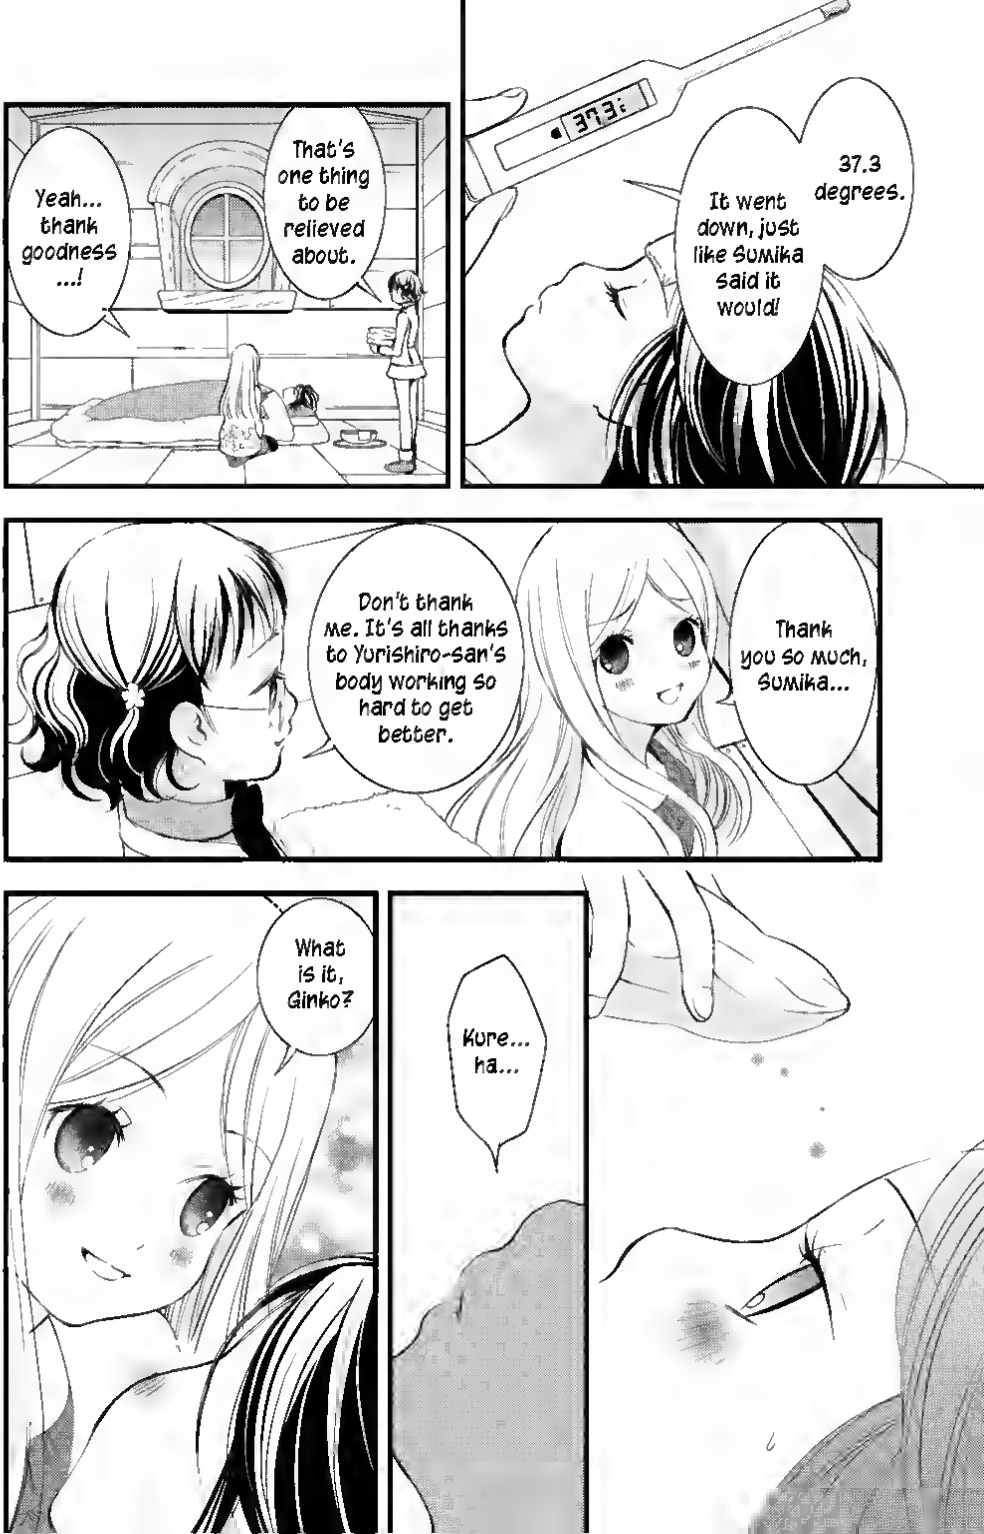
I've got all the prep work done so it'll be ready soon.
Wait a minute! You put burdock in Napolitan!?
Ah... so they're not using those as ingredients after all...
Cold...?
Yurishiro -san's fever should hopefully go down tonight.
Tofu paste can be used as a cold compress.
Burdock juice has a detox effect.
Boiled cognac can be used as a hot compress.
These are the cold remedies that my grandmother taught me!



37.3 degrees.
It went down, just like Sumika said it would!
That's one thing to be relieved about.
Yeah... thank goodness ...!
Thank you so much, Sumika...
Don't thank me. It's all thanks to Yurishiro-san's body working so hard to get better.
What is it, Ginko?
Kure... ha...

Kureha
Yeah.
キュ…
See?
Don't worry, I'm here.
How many grams of pasta do you wanna eat, Sumika-chan?
Ah, sorry, I'm taking my leave for tonight.
Yurishiro-san should start feeling better.
But isn't this your house, Sumika-chan?
It's my late grandmother's house.
I live here to look after the bears that were left behind.
But my onii-chans said I should return to my parents' house from time to time.
Oh, you have brothers!
Brothers?
I thought she was an only child.

My cousin onii-chans.

They're not actually my brothers
but they do live in the vicinity of my house.

You've finally returned.
Welcome back, Sumika!

That's the perverted trio from the student council!
They were Izumino Sumika's relatives!?

I'm home, Onii-chan.
I was so lonely without you, Sumika!
Even though I see you at school every day?
Waah

Our true form is...
That's right.
Our role as Arashigaoka Academy's student council is but a mere façade.

Life Beauty!

Life Cool!

Life Sexy!
And what's with those bear outfits?
No matter how you put it, those names are just weird ...
Is Life their surname?
Tada~
We're quite doting upon our little sister. ♡
And wouldn't you know it, we're Sumika's cousins!
So being my cousins is your true purpose?
A façade, you say...

Could this be an illusion?
She noticed I was tailing her and cursed me with this bear nightmare!
Shabada
That's right She's the witch of the Bear House.
Izumino Sumika!
By the way, why are you wearing those outfits?
Don't I look cute in it?
I thought you'd like this since you love bears.
Butlers are pretty popular with girls these days.
Um...
Eh?
Y-Yeah...
I will not be led astray by this illusion that you have created!
Wah!
Y-Yurizono -san? You spooked me!
Don't play dumb!

Granted I wasn't expecting you to show me such laughable bears.
Witch... are you sure you're not mistaken?
How rude.
Laughable?
? ? ?
It's frightening, but I'm glad.
I've witnessed the witch's power with my own eyes!
We're not friends.
It's because a witch like you has been manipulating their hearts, isn't it?
And one by one my classmates have started acting weird...
My legs are shaking .. but I won't lose!
ギュ
Back in middle school, you erased my friend from existence!

Please introduce yourself.
Yurikawa Konomi.
Mitsuko's classmate in middle school.
Konomi!?
it's you, Mitsuko!
I've never been your friend!
If any-body's been manip-ulating people
Uwah, a witness has app-eared!?
All the actors are in place.
Well then...
It's time to find out what really happened.
Let's begin the judgement!

Silence, everyone.
We shall now begin the Kumajo Trial.
ガーン
The plaintiff, Yurizono Mitsuko,
has accused the defendant, Izumino Sumika, of being a bear witch.
One year ago, she allegedly used black magic to manipulate the plaintiff's friend and erase her from existence.
...Am I hearing that correctly?
Yes, that's right.

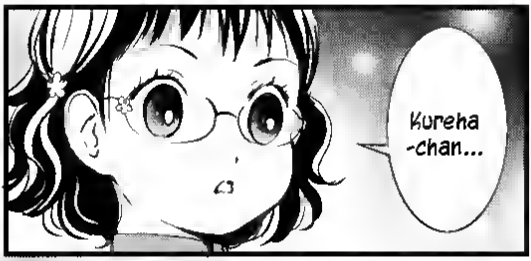
Defendant, is what the plaintiff is saying true?
It is not... I am not a witch...
Certainly the number of classmates did decrease either from students changing schools or going abroad,
but I don't think "erased" is an appropriate expression.
But we have evidence that contradicts that.
Izumino Sumika erased her!
It's not natural for my friend to just leave without saying a word and break off all contact with me!
The witness, Yurikawa Konomi.
Mitsuko is the one who had been bossing us around and manipulating us!
She had been harassing Izumino-san and isolated her from the rest of the class!

Defendant, do you accept this testimony as evidence?
What foolish and weak girls you are...
You're blaming me for your own actions?
We were scared so we just accepted it.
If we were to go against her, we would've become targeted ourselves.
!!
Was I being harassed?
?
Everyone ignored you!
We harassed you in every possible way to try and break your spirit!
You really are a blockhead who can't read the mood!
"Some-thing"!?
So you really didn't notice!?
I guess something like that happened?
.....

The flowers Izumino-san planted have such pretty smiles.
Let's chop 'em up!
We'll snip every petal and leaf until...
...hm?
Hii!
Itchy!!
Kya! Konomi -chan's face!!
What's wrong?
Ah... it's a poisonous caterpillar.
Let's pull out the stingers and cool your face.
I have one of my grandmother's super effective ointments at my house, so it should be fine.
Smile
.....
Smile
Smile
Smile
The next day, Yurikawa Konomi changed schools.

...Well, I had just about gotten bored with that game so it's just as well.

Before we knew it, Mitsuko's reign over the class had come to an end.
Everyone who came into contact with Izumino Sumika started to change little by little.
It wasn't just me.



Kureha -chan...

What power did you use to manipulate people's hearts?
What I want to know is the truth about you, Izumino, Sumika!
Lately you've made Tsubaki Kureha your prisoner too, right?

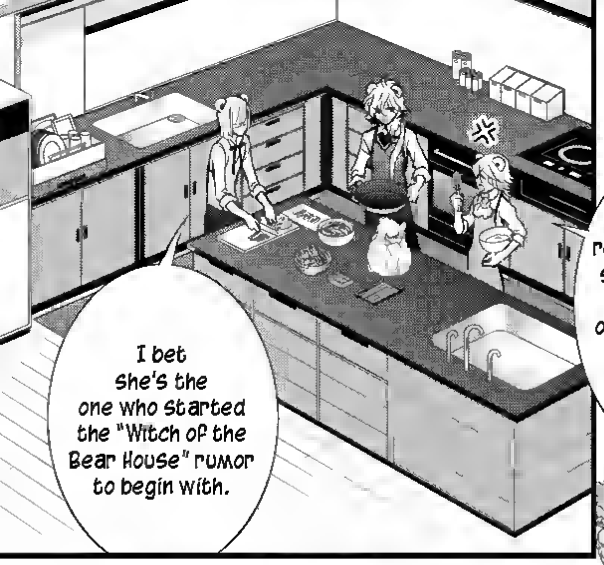
Everyone changed through their own power.
I don't have the power to manipulate people's hearts.

Forgotten precious things
that had been locked away in their hearts.
Memories they received from loved ones
and true feelings that they discovered for themselves.
It's because of that person's power that they can open the door and change the world.

I can only give them a little push to get them started.
It's nothing like magic at all.

...Or so I thought.
It'd be nice if I really was a witch, like you said, Yurizono-san.
FuFu
?

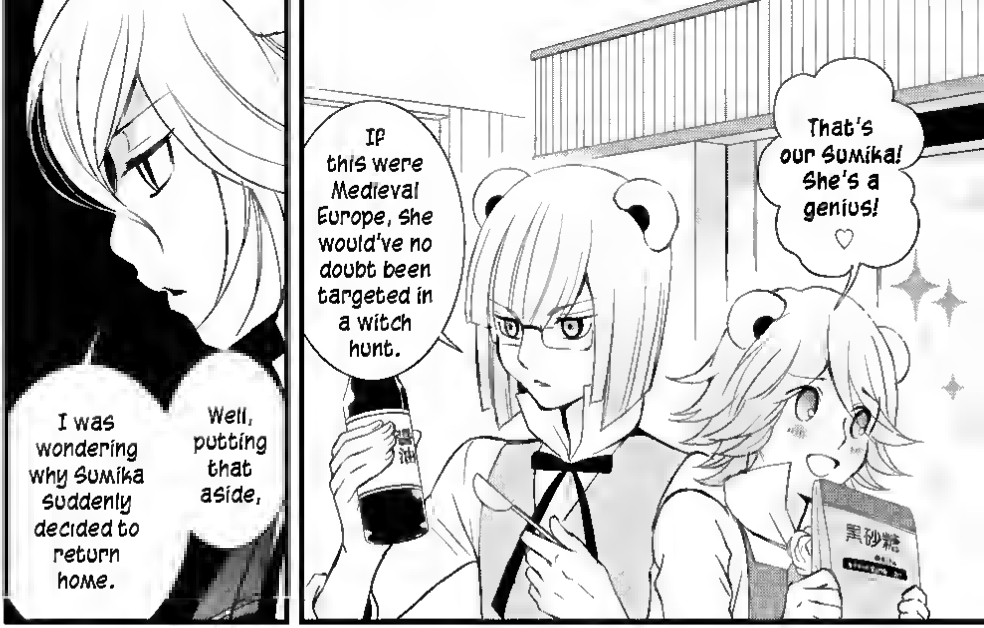
I was able to become Kureha-chan's friend, but...
If I could use magic
I could make Kureha-chan fall in love with me.
The girl Kureha-chan loves really is Yurishiro-san...
I knew that from the beginning...
As long as Kureha-chan is happy, I can smile too...
That's what I thought... but...



That Yurizono Mitsuko girl...

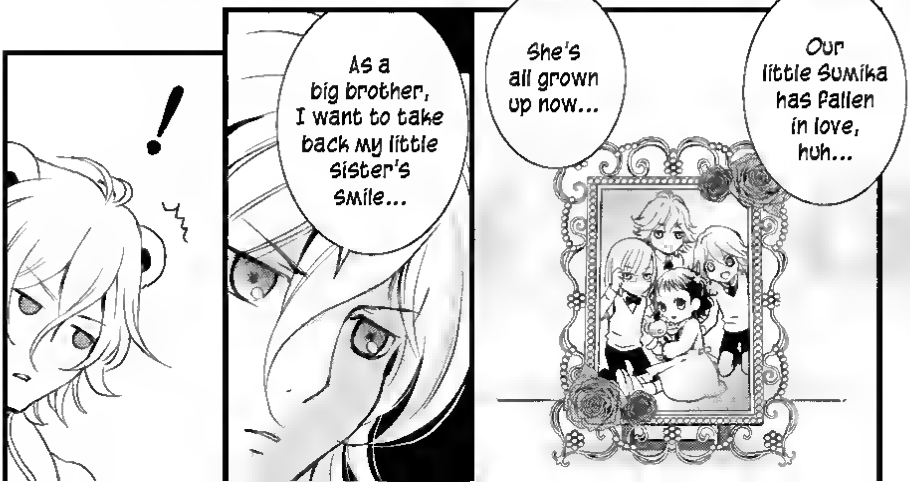
The class representative's strong sense of justice turned out to be nothing more than a black heart, huh?

When her patients had problems in their hearts, she used so-called hypno-therapy to heal them.
Our grandmother was a natural therapist studied in traditional medecine and medicinal plants.



That's our Sumika! She's a genius!
If this were Medieval Europe, she would've no doubt been targeted in a witch hunt.
Well, putting that aside,
I was wondering why Sumika suddenly decided to return home.

Unrequited love, huh?
Poor girl.
We have no choice but to watch over her in silence.



Our little Sumika has fallen in love, huh...
She's all grown up now...
As a big brother, I want to take back my little sister's smile...
!

Guilty!
Over-ruled!
I'm seriously gonna kill you
Innocent!
We're not brother and sister. There's no problems if it's between cousins, right?

Thank you, Yurizono -san.

Huh?

It's sad.
But even so, I was able to realise my love for Kureha -chan
so I'm still glad that we met.
You really are a pain in the ass.
You were so cheerful even when I was ignoring you to that extent
and now you're crying just because you're heartbroken over Tsubaki Kureha!?
Just get over it and go back to smiling like an idiot already!

.....
I'm going home.
Eh... wait!
Don't leave...
I thought you were an ill-tempered girl, Yurizono -san...
But you're actually pretty twisted.
You meant "actually kind" right!?

Sumika! Please have a marriage of destiny with your onii-chan!
No, join me in a love that's brimming with intelligence!
Have a lovely sparkle sparkle with me. ♡
Ahaha
Well then, I'm heading to the kitchen.
...Huh?
We're having meat and tofu tonight.
I prefer sukiyaki myself.
Sure.
Let's eat it together.

Good morning, Ginko.
...Mama?
...What do you want?
Nothing.
There's just something I forgot to tell you.
I love you, Ginko.
Ginko is my precious little daughter.
Wh what are you saying all of a sudden...

Reia's death is a crime I have to burden myself with.
There's no need for you to suffer.
So...
Go ahead and be happy.
Yurika...
How are you feeling?

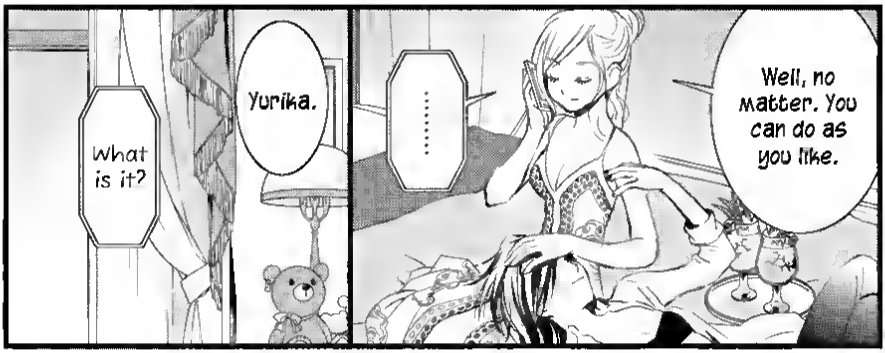
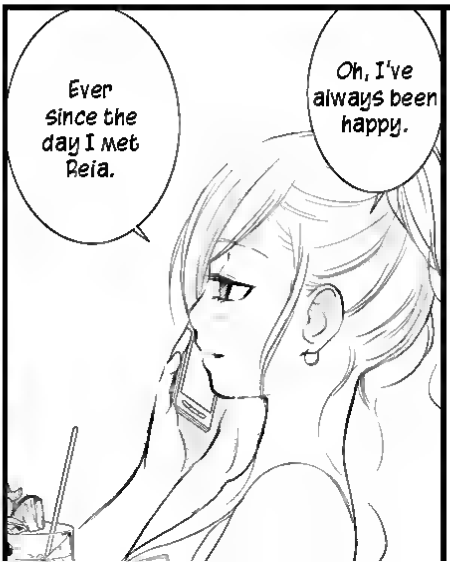
How's your temper-ature?
It's already back to normal.
Thank goodness. I was worried.
Sorry...
You don't have to apologize.
I'm just relieved.

Are you still at Izumino san's place?
You're not going back to mine?
Hm... I haven't decided yet.

I'm going to school tomorrow.
Ah, then maybe I should return home and get back to work...
Don't worry. You're being over-protective.



Yurika.
What is it?
.....
Well, no matter. You can do as you like.



Ever since the day I met Reia.
Oh, I've always been happy.

I'm glad that you were able to find happiness.

Happi-
ness...
Oh yeah, if you're going back to school, I have a favor to ask.
..What is it?
Back then, I gave Kale's picture book to Reia as a present.
The book Mama wrote about the forest bear?
Yes... But I cut out the last part.
Alright.
It might be too late, but could you deliver it to Kureha -chan?
I've been keeping it in my desk in the board chairman's room.

What happened, Yurika!?
A mo-

Reia?
Also, there should be a momento that was entrusted to me by Reia...

I-I'm perfectly... fine...
I-It's nothing...

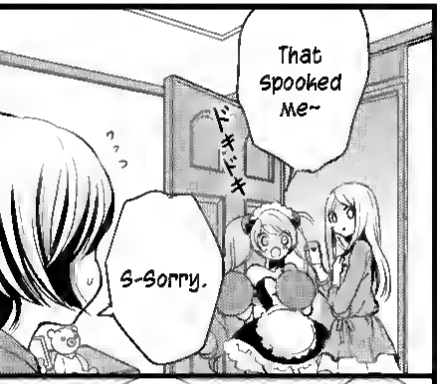
Shut the curtains.
It's this moment right now, right?
What's important isn't the past.
I'm having an important chat with Ginko.
Just wait a little longer...
Well then, see you later.
Love you.
You go and find your happiness, Ginko.
Just like we found ours.
So there you have it.

You damn bears in heat!
Go breed for all eternity!
And don't come baaaack!
beeeeeeep



That spooked me~
S-Sorry.

What happened, Ginko?
And you just made up with her too~
Did you get into a fight with your mom?
There's no way I can get along with someone like that!

Watch out!

Go ahead and be happy.

Happiness

All this after just two weeks!?
Here ya go.
Class notes from when you were absent.
You're amazing, Lulu -chan.
You remembered everything the teacher taught us.
Ahem
Lulu's so clever.
I thought you were kidding, but it's true.
Right?
Whaddaya mean by that?
But this is too amazing. I'm not sure I can even read it...
from the formula to just chatting without any gaps...
Um... here...

I only wrote down the main points that might come up in a test but...
You can borrow this if you'd like.
Alright! Please lend it to me!
Thank you!
She replied.
With a smile too...

Aw man.
Even though we just got the monopoly over Ginko,
She's back to normal again.

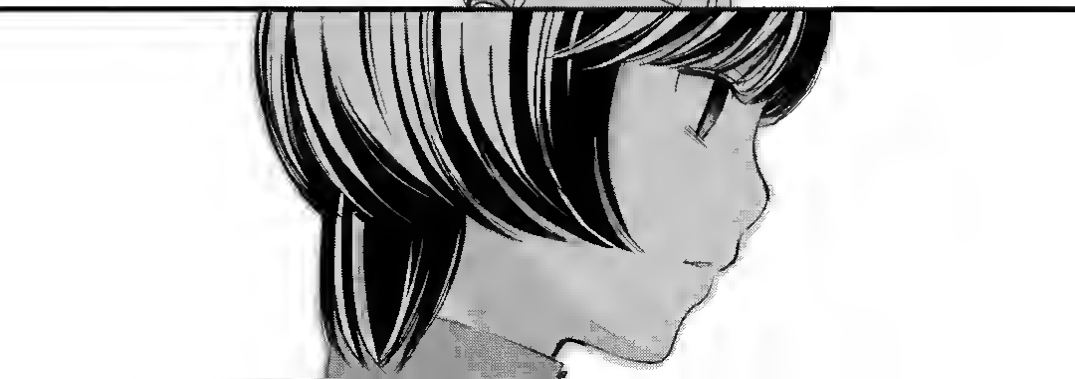
What's up?
For some reason... She's just like when I first met her.
But she's all cheerful now so I'll allow it!
Right, Kure-chin?
Eh
Yeah...

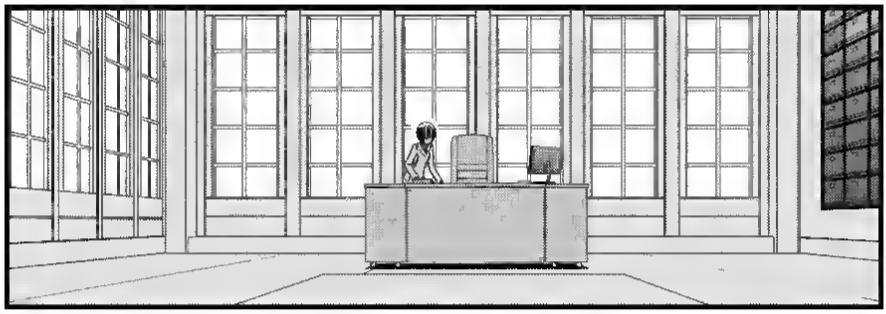
She's smiling brightly,
but it seems like she's forcing it somewhere.

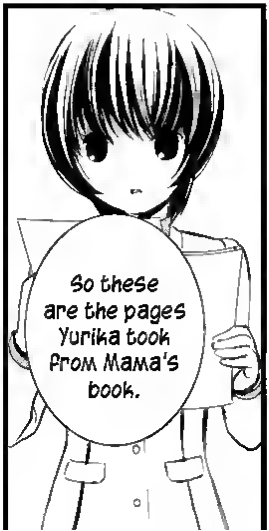


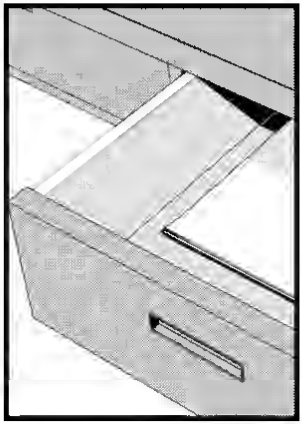
What the heck?

Why is everyone so kind to someone like me?

Someone like me...







I'M a bear.

Criminal bear.

Criminal bear.
Criminal bear.

I won't let you say that you forgot.

That is the punishment for my crime.
And in this invisible storm
my lonely soul will continue to roam for all eternity.
I know.
I know.
I'm...

A
criminal
bear.

What is it, Lulu-chan?
Hey, Kure-chin?
バ

Yes.
It was before me and Ginko were born, after all.
Kale-san tried to kill Reia-san, but she didn't.
Ginko's mama tried to kill Kure-chin's mama...
...My mom died ten years ago.
She was stranded in a snowy forest...
Illness? An accident?
In that case, how did Reia-san die?

Ginko, who was just a child, shot my mother to death.
She was killed by a rifle bullet that was aimed at a bear.
And the one who shot that rifle was Ginko.

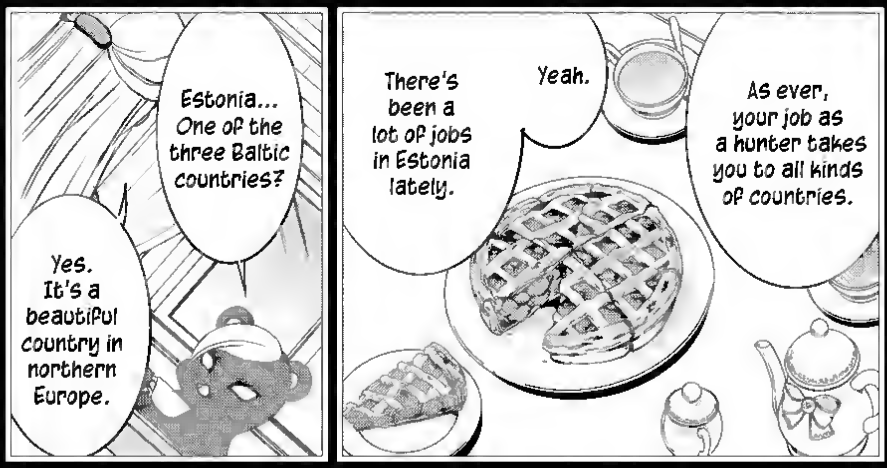
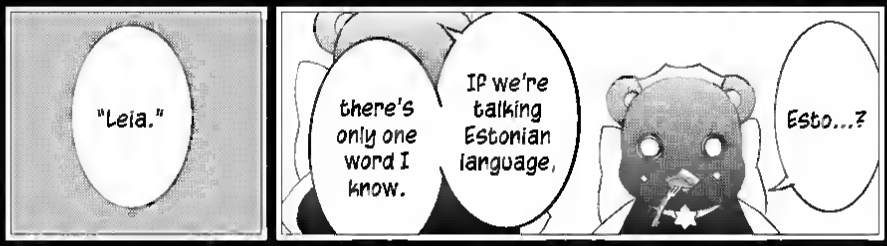
Ten years ago, there was a house party in a little house in the middle of a forest.

Reia...!
Come to think of it, you haven't met Kureha-chan yet.
Yurika, Kaie.
I'm so glad to see you after all this time!
You've gotten big too, Ginko-chan.
Kureha
Kureha
Come meet our guests!
She's not here?
She must've gone out to play.
She's excited to be in Japan for the first time in a while.
Kureha?
Yes, my daughter.
She's the same age as you so I hope you'll get along.



Estonia... One of the three Baltic countries?
Yes. It's a beautiful country in northern Europe.
There's been a lot of jobs in Estonia lately.
Yeah.
As ever, your job as a hunter takes you to all kinds of countries.



"Leia."
there's only one word I know.
If we're talking Estonian language,
Esto...?

"Leia"
It means "to find something".

The forest is calling me.
Leia
(to find something)
Someone is waiting for me in that forest.
Leia mind üles
(find me)
I must protect them.

Did you come here looking for me?
Yep.
I found you.
Who are you...?
Sniff
I don't know how to get home either.
Waaaaaah!
But you're not alone anymore.
It was so scary being all alone!
I got lost on the way home and couldn't find my way back!
Thank you!

Don't worry.
We'll be together forever.
Don't be afraid.
Okay.
The air around the forest has changed.
...a storm is coming.
Wait, Yurika.
Reia?
Maybe she got lost.
Kureha hasn't come back yet.
We should call a search party!
The forest is dangerous at night!

But wild bears live here, don't they?
Don't worry. I know this forest like the back of my hand.
I'm going to search for her!
A search party won't get here in time.
All by yourself!? It's impossible!
My gun... isn't there ...?

Facing up against bears is my job.

Darn it... I can't see very well.
How can I save her!?
Where should we go?

Is the bear... dead?

Mama...?
This is...

Reia!!

I alone came back alive.
I left Reia behind in the snowy forest.
Ten years ago, I shot Reia to death.
Someone said that she might have been eaten by bears.
No matter how they tried, they couldn't find her.
but Reia's corpse had disapp -eared.
After the storm passed, the adults went into the forest
Ma ei leia sind

This is my crime.

It's not your fault, Ginko.
You remember too, Kureha.
About what happened.
A crime that can never be erased.

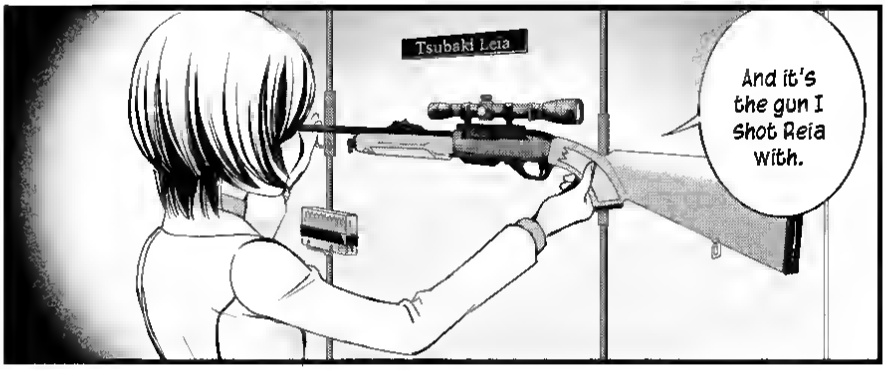
Yes... I remember.



Tsubaki Leia
And it's the gun I shot Reia with.

Kureha.
Use this to shoot me.

We promised, didn't we?
We'd be together forever!
There's no way I'm shooting you!
Living alone in a world of bears is my punishment.
You're a human. I'm a criminal bear.
We can't be together.
You're not alone.
You're a human, just like me.
You're not a criminal bear, Ginko.

Ginko.
I love you, Ginko.

...Why can't you understand...?
Ginko's heart is still closed off.
My feelings and words can't reach her...
Just like you helped me and Yurika-san and Kaie-san!
I want you to help Ginko, Sumika-chan!
So there you have it.
...Sorry.
That's impossible.
Yurishiro-san?
Use Lady Kumaria's magic to make Ginko human!

If you try to force the door to her heart open, it'll just shut even tighter.

Trying to change someone at your own convenience is pride, isn't it?

Yurishiro Ginko has no choice but to live as a bear.

with their hands held as tightly as possible.
And then the moon girl turned from a human into a bear.

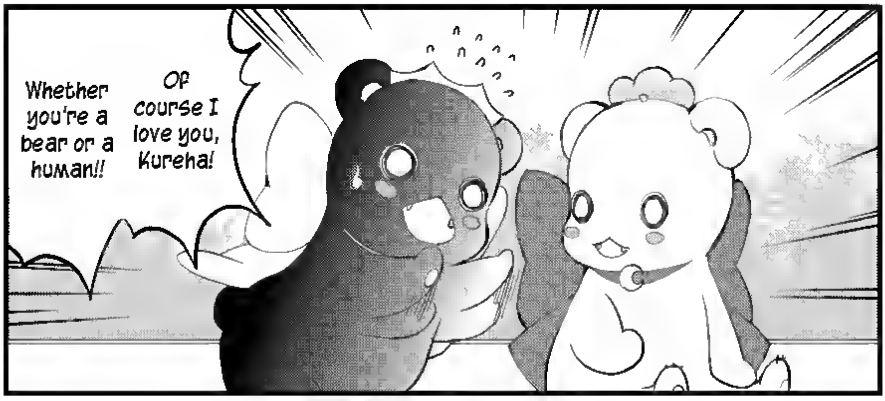
A sequel, you say... It doesn't look anything like the last part.
And it was a dream in the end?
So cute. ♥
You're really good at drawing, Lulu!
Now that they've awoken from their dream, a truly wonderful adventure can begin!
The bears still have many more stories ahead of them!
Besides, it's not "in the end".
It's fine if it's a dream.

Lulu -chan.
I guess you're right.
A wonderful adventure sounds nice.
I know, right?

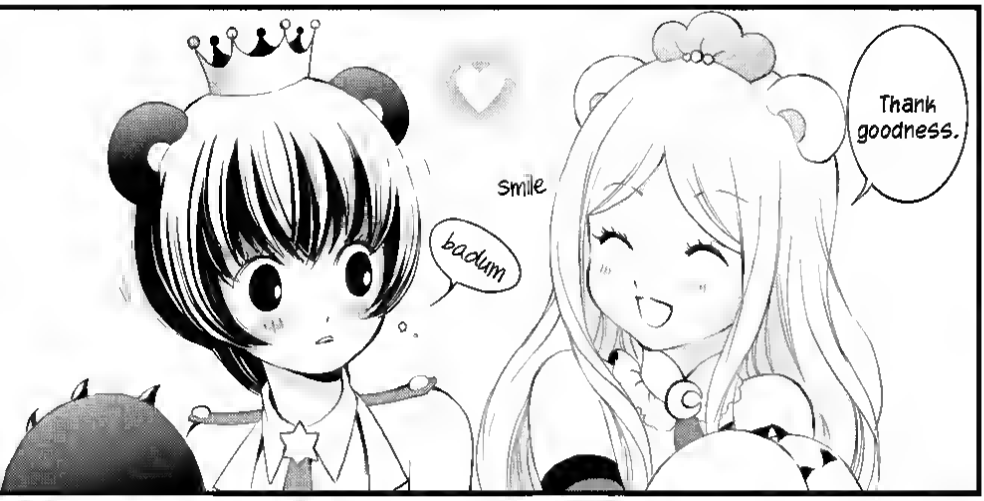
Oh yeah!
Since spring break starts tomorrow, where do you guys wanna go?
Alright! Let's go on a real trip!!
Agreed!
Well, you two are living in a super amazing world already.

Now that you mention it you might be right.
growl growl
A bear world where everything is made of bears.
It's like, so shocking!

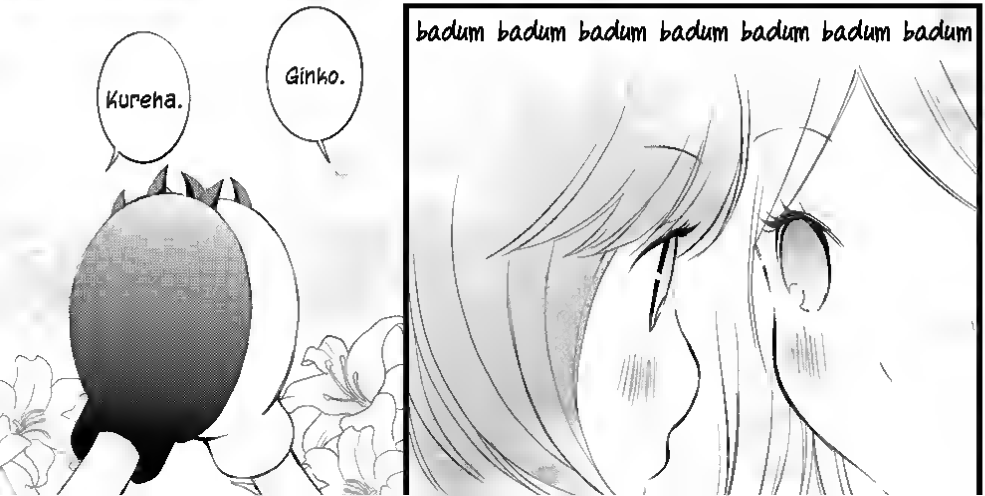
But now...
There were only two humans living in the bear world
You're right. Mom really is the only one who looks like a human.
Yeah.
The only two humans in this world were Reia and Kureha.
meow
meow
Do you hate me for becoming a bear?
No way!
But Reia died because of me.
...And Kureha became a bear for my sake...



Whether you're a bear or a human!!
Of course I love you, Kureha!



Thank goodness.
Smile
badum



Kureha.
Ginko.
badum badum badum badum badum badum badum

Huh... She's not there...
Yeah! Where do you want to go, Lulu?
I-I'm not looking forward to our trip together!
Lulu

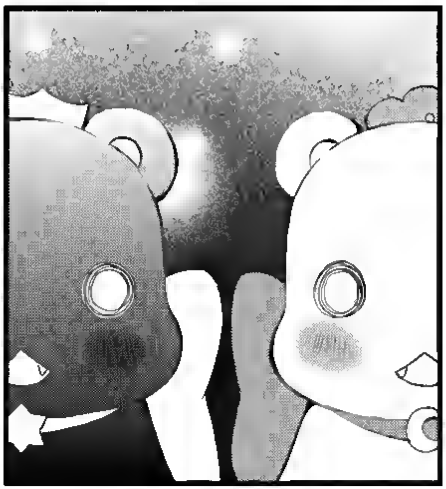
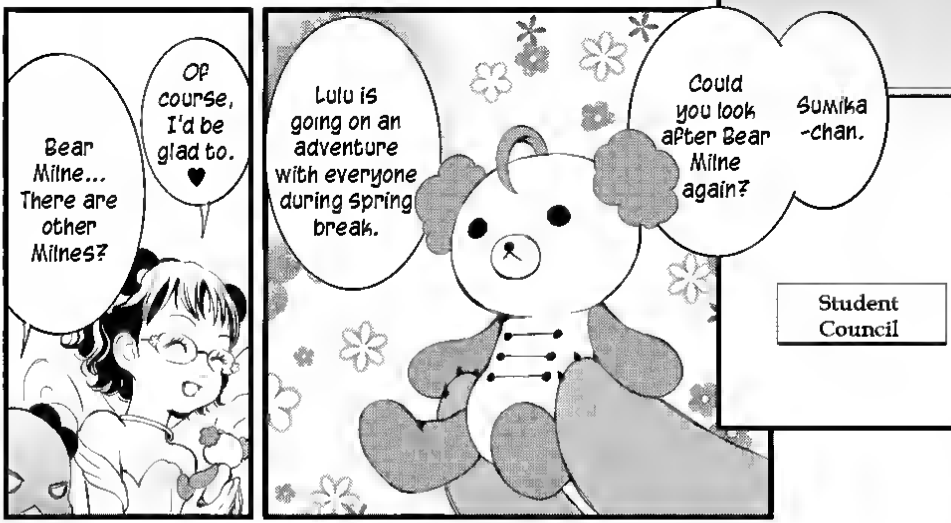
No!

Lulu wants to go somewhere cute!
You guys take care of the planning!
I'm gonna pay a visit to Sumika-chan!

The three of us will be together forever!
Of course, the three of us.
grow!



Do you have anywhere you wanna go, Ginko?
I don't like hot places.
Maybe a pretty place with stars and forests.
This bothersome bear is out of your hair!
Lulu is so clever.
And dashing, too. ♥
Estonian Natu
We can even go abroad.
Some-where cute, refreshing, and brimming with natural beauty.
What's wrong, Kureha?
Did you find a good tour?
There's a human...



Sumika-chan.
Could you look after Bear Milne again?
Lulu is going on an adventure with everyone during spring break.
Of course, I'd be glad to. ♥
Bear Milne... There are other Milnes?
Student Council

Yeah. This is Bear Milne.
There's also my little brother, Milne.
I see.

He died ten years ago, though.
...I see.

After meeting Milne, everything in this world is Milne!
He is inside my heart too, but...
But Lulu and Milne are always together, so it's fine.
Is this that "he lives inside your heart" cliche?
Eh?
What's up, Ginko?
..Yeah! I get it!
I don't get it at all.
You found Reia-san!?

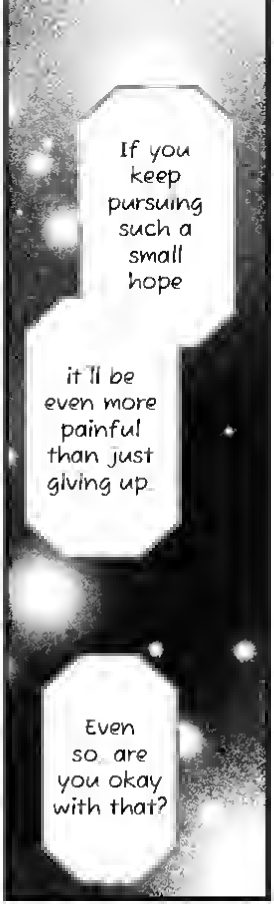
But but~
Reia died ten years ago.
You must be mistaken.
LULU
YURI-KA
They never did find her body!
The possibility isn't zero!
I find it hard to believe that anyone would be saved in that state and go to a foreign country without telling anyone

She's alive?
Reia? No way!

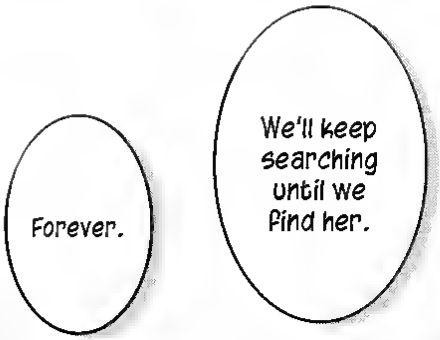
But... I want to see Reia.
I'm sure Kureha also wants to...

There's no need for Ginko to atone for Reia's death
I've told you, haven't I?

We'll go!
Yes!



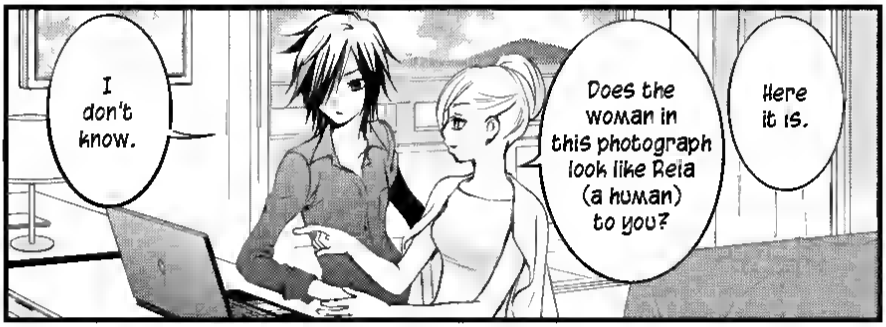
If you keep pursuing such a small hope
it'll be even more painful than just giving up
Even so, are you okay with that?



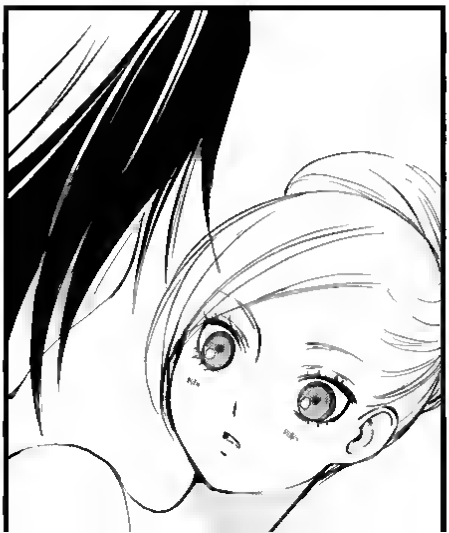
We'll keep searching until we find her.
Forever.

Let's go to Estonia!
Okay, let's assemble at the flower-bed.
We'll need to book tickets and pack our things...
We don't need anything like that! Let's just go straight to the airport!

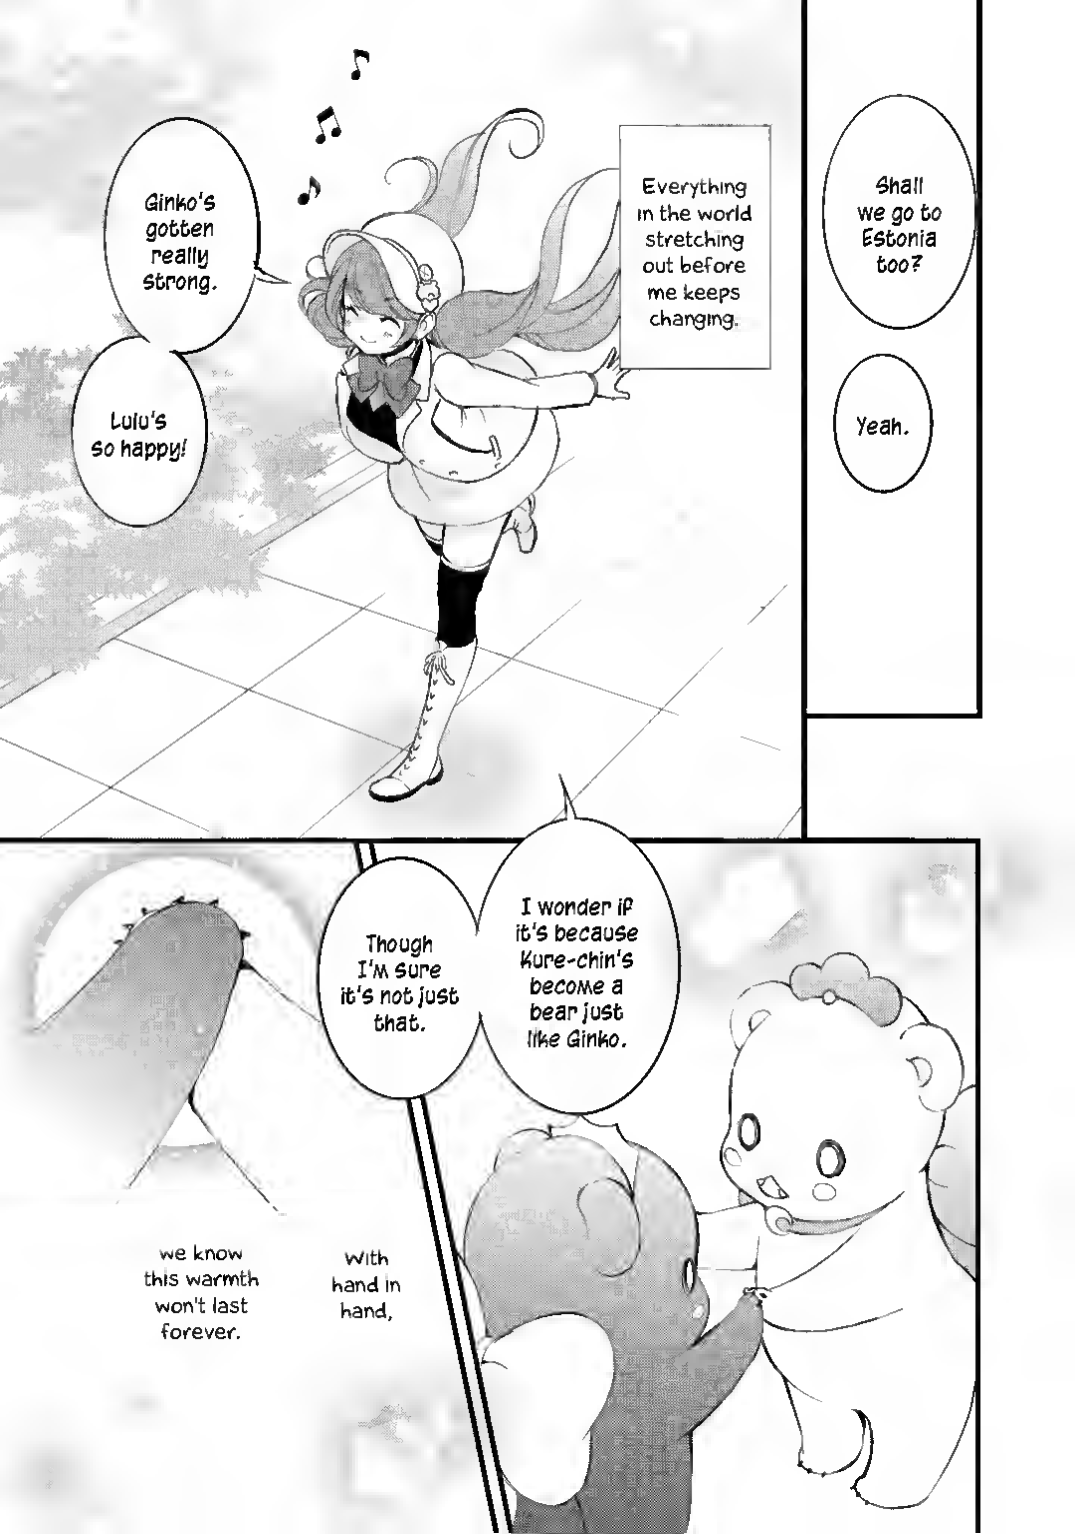
...Fine. Do as you wish.
Thank you, Yurika.
Alright!
GINKO&KUREHA



I don't know.
Does the woman in this photograph look like Reia (a human) to you?
Here it is.



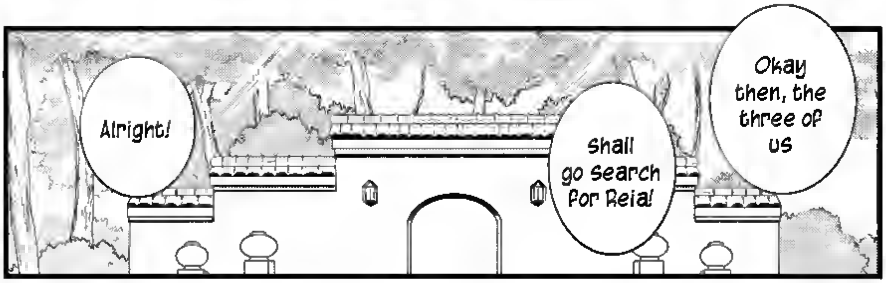
It's not that.
Well, the photo is a bit too small...
I can't see bears anymore.



Shall we go to Estonia too?
Yeah.
Everything in the world stretching out before me keeps changing.
Ginko's gotten really strong.
Lulu's so happy!
I wonder if it's because Kure-chin's become a bear just like Ginko.
Though I'm sure it's not just that.
With hand in hand,
we know this warmth won't last forever.

Even so, I'm sure we'll never forget our love for each other.
and we'll one day have to say goodbye.
Someday our lives will vanish
So...
My love for you will become a star that shines across the world.
I will find you.
Even in an invisible storm or a dark forest ..

We'll always be alone, and we'll always be together!



Alright!
Shall go search for Reia!
Okay then, the three of us

I forgot to give Sumika-chan a change of clothes for Bear Milne.
Oh crap!
Go on ahead, you say...
You guys go on ahead to Estonia without me!
Sorry!
She hasn't changed much, has she?
Ahaha
It's not just the next train station! It's a foreign country!

Let's get going!
Hip! Hip! Hooray!
Let's do our best!

Mine
I kept my promise!
Flirt...
You can flirt with each other without worrying about me!

A prestigious school where the best and brightest minds gather.
So the boys dorm is over there.
I guess it's impossible for me...
I'm gonna work had to pass!
So I can live in this town again!
I wonder if they're examinees on a field trip?
Middle schoolers?

I don't really remember much about back then.
Onee-san is the only one I remember clearly.
But it's been ten years, hasn't it? It'd be nice if she still lives in this town.
Yeah... It was before I was taken in by my grandparents, after all.
And then Onee-ta...
I'll find Onee-san!

I loved her, she was always with me,

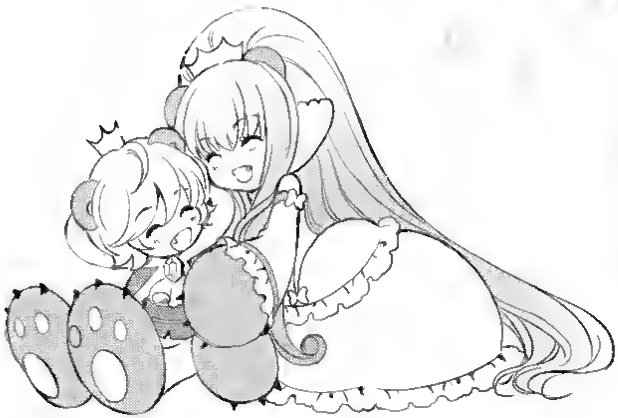
I found you.



We'll be together forever.

Just as well, there's only two seats left on the next flight.
But...
I'm sure Lulu will catch up with us soon.

Lulu-chan isn't coming, huh?
I guess we have to go on ahead after all.

What?
Kureha really is a bear now.
Yeah, that's right.

It'll be fine!
You're right. It's Lulu after all.

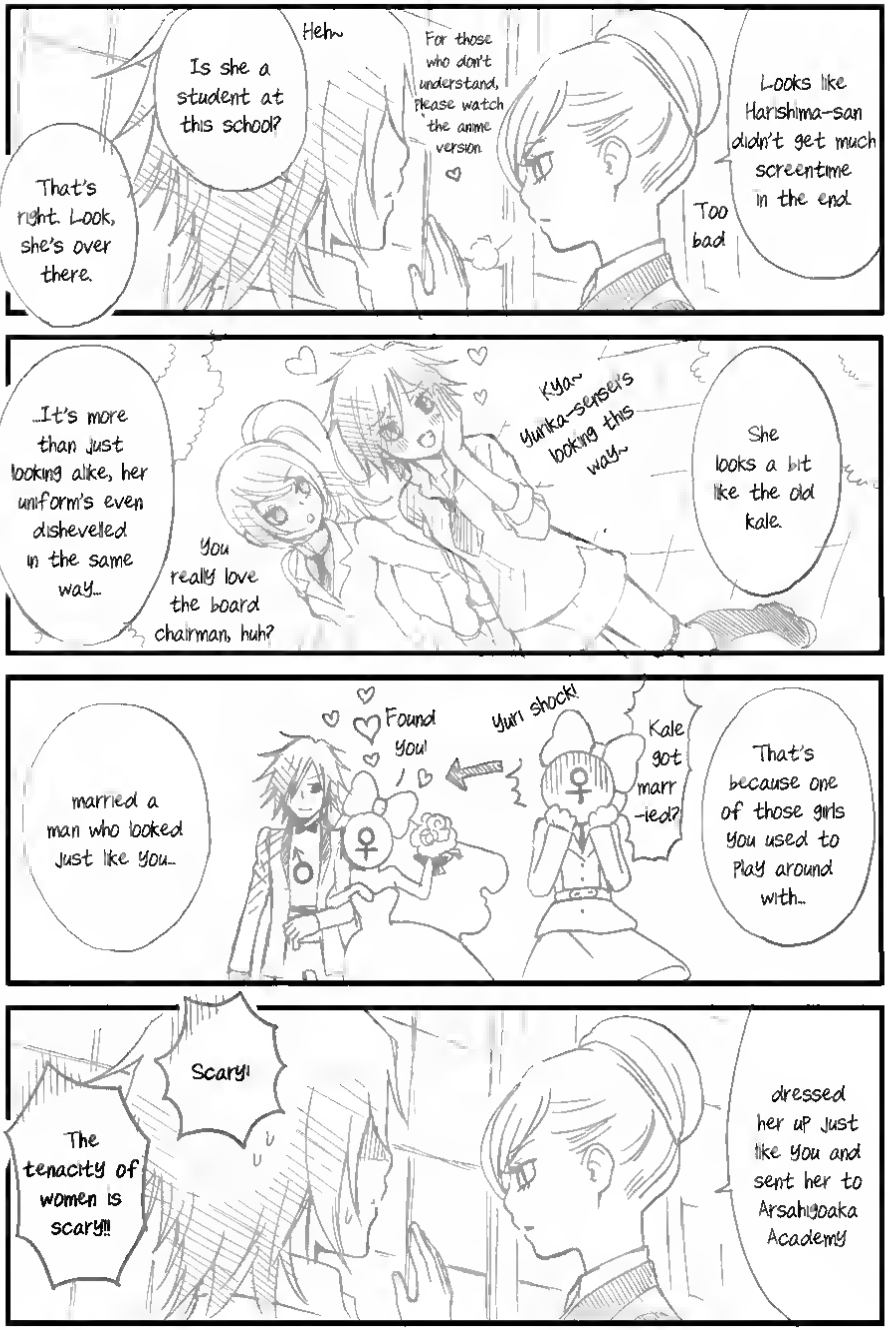
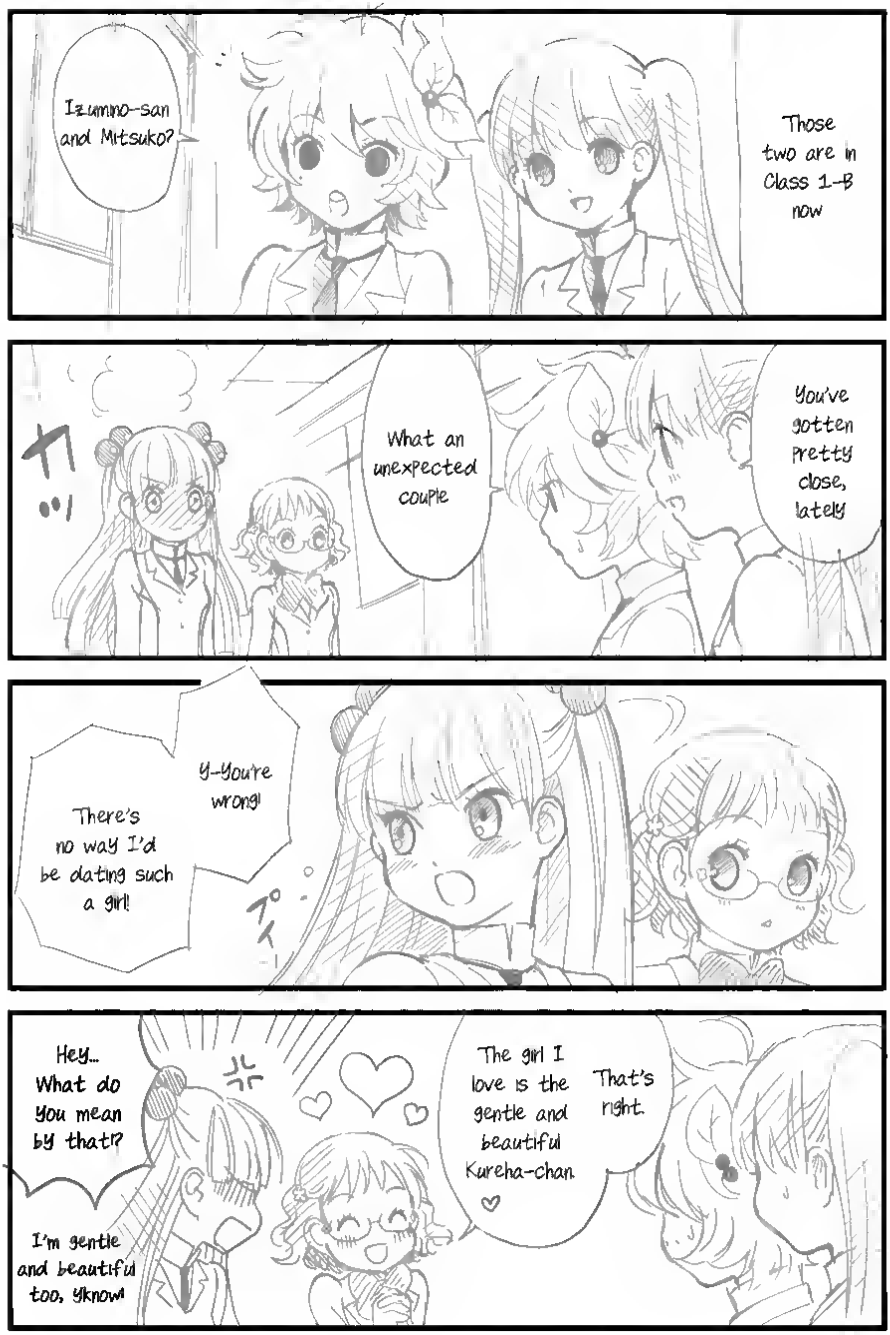
Let's go to Estonia!
Thanks...
Hey, Katyusha-chan. Why are you always helping out Yurika-san so much?
Make sure you set your phone to roaming mode this time
The truth is, Akae-san does a lot of work behind the scenes.
Could this be a yuri amor backstory?
badum
That's because me and the board chairman...
That's the only reason?
YURIKA KATYUSHA
Ufufu
look cute when you line up our names like this!
Yup

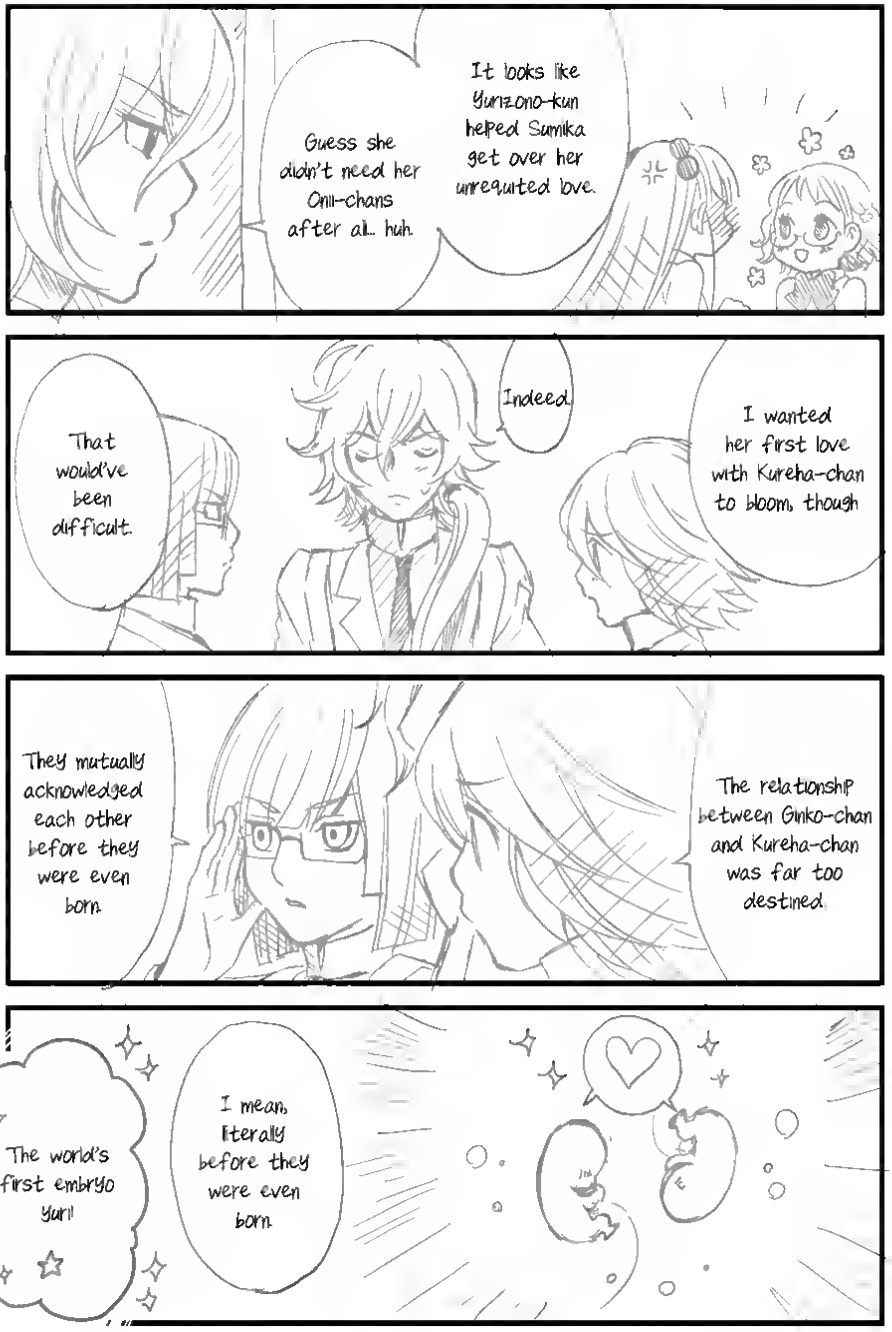


Looks like Harishima-san didn't get much screentime in the end
Too bad
For those who don't understand, please watch the anime version
Heh~
Is she a student at this school?
That's right. Look, she's over there.
She looks a bit like the old kaie.
Kya~ Yurika-senseis looking this way~
...It's more than just looking alike, her uniform's even dishevelled in the same way...
You really love the board chairman, huh?
That's because one of those girls you used to play around with...
Kaie got marr-ied?
Yuri shock!
Found you!
married a man who looked just like you...
dressed her up just like you and sent her to Arsahigaoka Academy
Scary!
The tenacity of women is scary!!

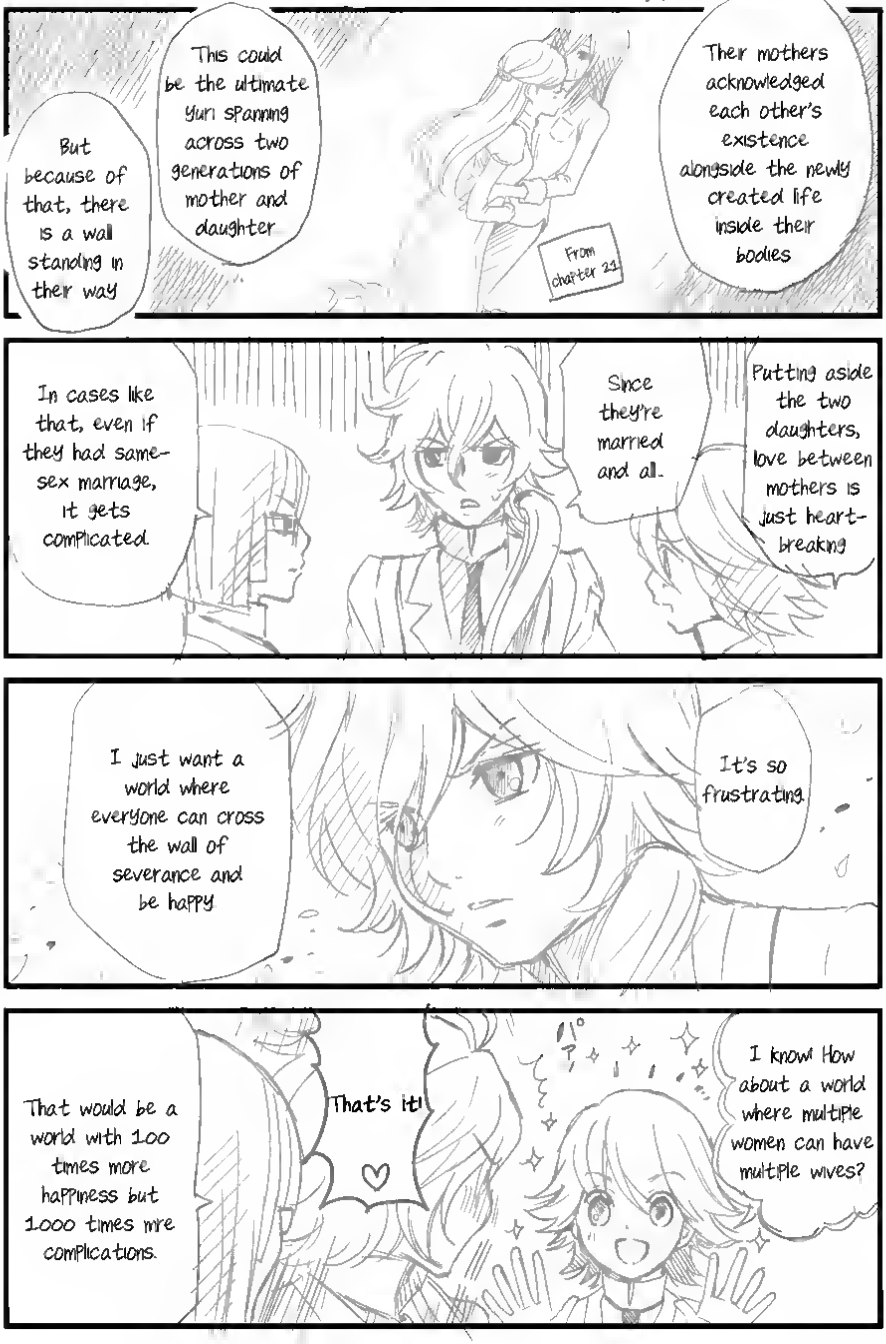


Izumino-san and Mitsuko?
Those two are in Class 1-B now
What an unexpected couple
You've gotten pretty close, lately
Y-You're wrong!
There's no way I'd be dating such a girl!
Hey... What do you mean by that!?
I'm gentle and beautiful too, yknow!
The girl I love is the gentle and beautiful Kureha-chan.
That's right.

I think it's the "first"? Excuse me if I'm wrong ☆

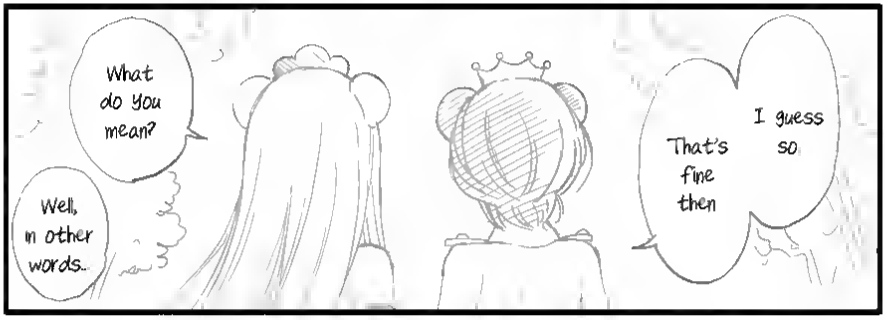


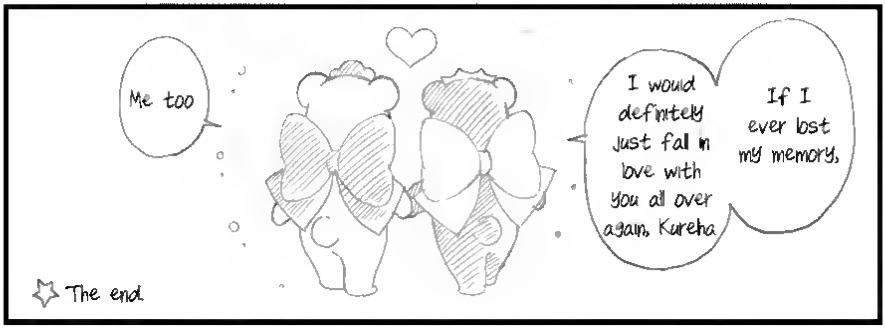
It looks like Yunzono-kun helped Sumika get over her unrequited love.
Guess she didn't need her Onii-chans after all... huh.
Indeed.
That would've been difficult.
I wanted her first love with Kureha-chan to bloom, though
They mutually acknowledged each other before they were even born.
The relationship between Ginko-chan and Kureha-chan was far too destined.
I mean, literally before they were even born.
The world's first embryo yuri!
sfarkle sfarkle



But because of that, there is a wall standing in their way
This could be the ultimate yuri spanning across two generations of mother and daughter
From chapter 21
Their mothers acknowledged each other's existence alongside the newly created life inside their bodies
In cases like that, even if they had same-sex marriage, it gets complicated
Since they're married and all.
Putting aside the two daughters, love between mothers is just heart-breaking
I just want a world where everyone can cross the wall of severance and be happy
It's so frustrating
That would be a world with 100 times more happiness but 1000 times mre complications.
That's it!
I know! How about a world where multiple women can have multiple wives?

T/N When babies come out of the womb bottom first.





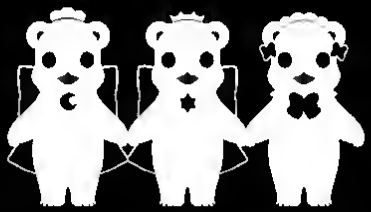
It might just be my own personal interpretation, but I wrote the manga version of "Yurikuma Arashi" in order to delve into the theme of "when a life ends, something is left behind" that I felt from watching the original work.

"Because the world keeps awakening and changing thanks to your true love."

The word "awakening", which I used at the end of the story, literally means "waking up", but it can also mean "ressurecting" and "evolution".

It's just a little dream I have but I wish that even after waking up from a dream, everyone's world would keep awakening. And in the sky, the star of Ginko and Co.'s "love" will continue to shine.

Morishima Akiko



Morishima Akiko-sensei
